

The Warriors Mark Archery Club hosted the Pennsylvania State IBO 3-D Championship and World Qualifier on Saturday and Sunday, June 5-6, 1999 here at the Warriors Mark Shooting Preserve. Approximately 140 people gathered from various states and locally to participate in this event. Two warm summer days only helped to enhance this two-day event. The following is a listing of results, by class (with trophy winners noted), as well as Lewis Class and High in Class option winners. The first 20 people in each class will qualify. The next scheduled Archery shoot is the combination archery and sporting clays shoot sponsored by the Wild life Legislative Fund of America. The 1999 Hunter Clays & Bowhunter Defense Shooting Series is scheduled for Sunday, July 11, 1999 . Thank you for participating in the IBO 3-D shoot.
